

FAMILY EDUCATION CONNECT MEETINGS

COLLABORATION is one of the three cornerstones of education at Hand In Hand. Our theme song reminds us that “together we learn better.” Connecting with other families from Hand In Hand strengthens our school community, homeschools, and families. Consider these opportunities to connect in the coming school year.

COFFEE CONNECT

Parents are invited to this weekly educational gathering to connect with other parents, find support, and learn from seasoned mentors in a wide variety of topics. Time is set aside for discussion, snacks, and prayer. CC meets on **Wednesdays, 9-10 am, in the 2nd Floor Commons Room.** Contact: Elin Aldrich at officesouth@hihcm.org.
